

WELCOME TO THE VILLAGE OF LYNNHAVEN

As President of Lynnhaven Neighbors, let me be among the first to welcome you to our corner of the Villages. I believe you've moved into the friendliest village in Florida's "friendliest hometown."

Lynnhaven Neighbors is a club for both full and part-time residents. It provides a venue for having fun, meeting your neighbors, getting together with friends, and building a sense of community. Monthly socials usually take place on the third Friday of the month and offer a variety of live entertainment, great food, games, and, best of all, getting together. Each year, we host two golf scrambles! Dues are \$10 per person, per year, renewed in October for the following year.

The Lynnhaven Village website is <http://lynnhavenvillage.org/> and it's one of the best ways to find out what's going on in our village. For current Neighbors event details, go to <http://lynnhavenvillage.org/neighbors.htm> Another place to visit is Nextdoor Lynnhaven. It's a members-only site for recommendations of local businesses (and warnings), For Sale items, Events, Lost & Found, neighbor queries, and more. To take a look, enter <https://nextdoor.com/neighborhood/lynnhaventhedvillages--the-villages--fl/> into your browser.

Feel free to call me directly for further information, or if you have any questions.

Sincerely,

Jack Warner
